

Scrap into value.

MRS Trading buys ferrous, non-ferrous and electronic scrap across Dubai, with clear terms and a transparent process from inquiry to completion.

Ferrous & Non-Ferrous

E-Waste

Secure Destruction

WHO WE ARE

A Dubai scrap trading business built on trust.

MRS Trading is a Dubai-based scrap trading business focused on recyclable materials, dependable commercial relationships and resource efficiency. We buy scrap from individuals, contractors, factories and industrial operations, and keep recyclable metal moving back into use.

01

Fair, open terms

Every commercial arrangement is discussed openly and agreed before the trade.

03

Responsible recycling

Material is directed to recycling, conserving resources and reducing waste to landfill.

02

Responsive service

Fast replies by phone, email and WhatsApp, from one-off loads to ongoing volumes.

04

Discreet handling

Secure destruction for products and parts that must not be resold.

MATERIALS

Seven material categories, **one buyer.**

Ferrous Metals

Iron and steel scrap from construction, manufacturing and industry.

Heavy melting

Rebar

Cast iron

Aluminum

Lightweight, highly recyclable metal from many sources.

Extrusions

Sheet

Cans

Copper

High-value metal from wiring, tubing and radiators.

Bare bright

Cable

Tubes

Brass

Fittings, valves and plumbing hardware, red and yellow.

Red brass

Yellow brass

Stainless Steel

Fabrication, kitchen equipment and plant scrap.

Sheet

Pipes

Solids

E-Waste

End-of-life electronics with valuable metals recovered.

Computers

Boards

Cables

Other Recyclable Materials

Additional recyclable streams discussed case by case, subject to confirmation. Share photos and an estimated quantity and we will respond.

WHAT WE DO

Services for every seller.

Ferrous & Non-Ferrous Trading

All grades bought with fair terms and a transparent process.

Scrap Procurement

Surplus and end-of-life material turned into value.

Material Sourcing

Direct from factories, contractors, dealers and demolition sites.

E-Waste Management

Responsible collection of end-of-life electronics.

Secure Destruction

Controlled destruction of items that must not be resold.

Bulk & Supply Chain

High-volume trades coordinated from seller to recycler.

HOW IT WORKS

From inquiry to completed trade.

01

Submit an Inquiry

Share material type and estimated quantity.

02

Evaluation

We review photos and specifications.

03

Commercial Terms

Terms discussed and agreed openly.

04

Coordination

Next steps through to completion.

GET IN TOUCH

Have scrap to sell? **Let's talk.**

Send us the material type, an estimated quantity and a few photos. We will review it and come back to you with next steps.
